

About A&KA Brickwork Restorations

A&KA Brickwork Restorations has been in operation as a brickwork contractor since 1984. We have undertaken work as a major contractor on commercial and industrial construction sites. Over the years we have gradually become more and more specialised in the field of brickwork and masonry repairs and restorations.

With a more than 25 years in the masonry trade and our development of patented innovative jointing restoration systems backs up our claim as experts in the field of brickwork and masonry restoration.

With our mastery of repointing and excellent fof materials used we can confidently grant a full 10 year warranty on labour and materials on all our jobs.
